#CAMPGREEN

Together with our campers we would like to execute a sustainable impact for an intact environment which includes ecological and energy-efficient sustainability.

PLASTIC FOILS FREE CAMPING

Plastic foils under awnings/tents are strictly prohibited so further guests can enjoy green pitches as well.

CAREFUL WASTE SEPARATION

In our designated recycling room - next to entrance 3 - we have various labeled containers (glass, plastic, cardboard, paper, organic waste, etc.) so that proper waste separation is easily provided for all of our campers.

ECO-FRIENDLY TECHNOLOGIES

- **Fossil-free generation of renewable energy** through the sustainable use of ground water combined with solar power.
- **Reduction of energy consumption** through the highest level of insulation, multiple heat recovery from used water and heat exchanger in the entire heating system.
- **CamperClean®**: Our automatic disposal and cleaning system for toilet cassettes uses only environmentally friendly sanitary additives without any chemicals and fits the cleaning intensity to the respective degree of soiling. This reduces water consumption.
- **Easy Be dishwashing service**: The automatic dishwasher washes your dishes clean and dry within 5 minutes and affords an important contribution to saving water and energy on our campsite.

CAR-FREE ZONE

Thanks to our car free zone our standard pitches offer even more peace and quiet. Vehicles that are not used for overnight stays can be accommodated in our modern and video-monitored underground car park. There is already one free parking space per pitch included.

For all further information on and around our campsite simply scan the QR code and access our digital guest helpdesk.

INFORMATION FROM A TO Z

• APARTMENT

Three apartments for 2 to 6 people are located on level 3.

• ATM

Is next to the cable car station just 200 m from the campsite at the sport shop "Sporthütte Fiegl".

• BATHROBES & TOWELS

Are available at reception for a rental fee.

• BATHROOM FOR DISABLED PEOPLE

The bathroom for disabled people can be found on main floor. The key is available at reception.

• BIKE & SKI ROOM

A bike and ski room with modern boot dryer, secured access & video surveillance, is located on level 0.

• CAMP FIRES

Open fire and torches are not permitted at the campsite. Use a garden grill which is at least 50 cm above ground.

• CHECK-OUT

On your day of departure the invoice has to be settled and the pitch has to be empty by 11.00 am. If you are leaving before 8.30 am in the morning, we ask you to settle the bill the evening before.

• CAMPING ENTRY & EXIT GATE

The barriers are closed between 11.00 pm and 6.00 am without any exception. An entry or exit of the campsite during this time is not possible.

• CHEMICAL TOILET

Chemical toilet can be emptied on floor 0 & 3. Alternatively we recommend the CamperClean® chemical toilet cleaning station directly in front of the garage which cleans your cassette automatically and adds microbiological sanitary fluid.

• COFFEE TO GO

Beside the reception there is a coffee machine with delicious hot drinks.

• COLD DRINKS

Refreshing drinks are available available next to reception. You can also find a small shop.

• CURFEW

Absolute peace at night from 10.00 pm to 6.00 am at the entire campsite. Please keep the night rest and respect other campers.

Lounge

• DISHWASHING AREA

On floor 0 & 2 you will find the dishwashing area with hand washbasins and a fully automatic dishwasher.

• DOGS

Dogs must be leashed in the entire camping area and in the village of Sölden! Dog fouling bags are available by the garbage room. A dog shower is located on level 0.

• DRINKING WATER

Our well-known, healthy Tyrolean drinking water flows from every tap with GRANDER technology.

• EMERGENCY CALL

Fire Brigade:	122	Police:	133
Emergency doctor:	141	Ambulance:	144
Mountain Rescue:	140	Camping:	+43 5254 2627 0

• FITNESS ROOM

On floor 2, you find the fitness room which can be used daily during the opening hours of the reception for free.

• FRIDGE & FREEZER

Behind the dishwashing area, there is a fridge integrated with a freezer at entrance 2.

• GAS BOTTLES

We exchange gray EU-gas bottles of 5 kg, 11 kg, 11 kg aluminum and 33 kg during the opening hours of the reception.

• KITCHEN

Find the possibility to prepare your food on level 2. Furnished with cooktop and microwave.

• LAUNDRY

On level 0 there are 2 washing and 2 drying machines as well as hand wash basins and clothes lines. Tokens for the machines are available at reception.

• LETTERBOX

You are welcome to hand in letters and postcards at reception. Stamps are available as well.

• LOST PROPERTY

Please hand found items in reception. Lost items can also be retrieved from reception.

• LOUNGE

Read books, watch TV or enjoy your breakfast at our lounge on level 2. Room is also exclusively bookable.

• PLAY AREA

A play ground with a wide variety of games for young and old is located next to reception. The big outdoor playground is next to the gondola.

• POWER SUPPLY

Each pitch has a power connection with a CEE plug which can be rented or sold at reception. 5 kWh of electricity per night are already included. Additional electricity will be charged according to consumption.

• PRIVATE BATHROOM

Rent a bathroom exclusive for you. Furnished with a bathtub or a shower, bathroom sink, toilet and hair dryer. Ask at reception for further information.

• SUN TERRACE

During summer you can have a sun bath on the top of the building.

Private Bathroom

Wellness Area

• TABLE TENNIS

On level 0 you will find a table tennis. Equipment can be rent for free.

• VISITORS

Visitors must be signed in at reception upon arrival. Visitor's cars are not allowed to be parked at the campsite.

• WASTE SEPARATION

At the garbage room, behind the house we ask for **careful waste separation – do not leave any residual waste bags**. Please place organic waste / leftover food separately in an organic waste bag in the brown organic waste bin.

• WASTEWATER

Each pitch is equipped with a sewer for gray water (red cap). Wastewater disposal is carried out exclusively by using of a hose or bucket directly into the sewer. **Drainage of the waste water on the pitch is strictly prohibited.**

• WELLNESS AREA

On level 2, you will find the wellness area with a Finnish panorama sauna, bio sauna, a steam bath, an infrared cabin, a heated bench as well a relaxation area.

Free WiFi at our entire campsite.
